BRIAN WILSON

Brian "Willy" Wilson forged a career spanning 13 years as a player, coach, and scout for the Cincinnati Reds. His work will live on through the many players, parents, coaches, and fans whose lives he touched. Regarded as an advocate for the players, Brian remained the staunchest of supporter to the numerous athletes he scouted and instructed. He was every player's friend. The native of Albany, Texas demonstrated exceptional evaluative skills, ability to sign players, tireless work ethic, and a contagious passion for the game which serves as a model for us all.

The only thing Brian loved more than baseball was his family. 100% of the proceeds of this tournament go to the family of Brian. His legacy lives on in his wife Prairie and daughters Carson, 13, Conor, 11, and Curry, 9. It is for them and in honor of our friend we hold this tournament. We hold dear the memories that remind us of what made Willy the best kind of scout/friend: one who cared. Thank you for your participation and contribution.
